You Teach the Class

Everyone will be put into groups of three or more people. An artwork or an artist will be assigned to each group. Group members will then speak for 20 minutes about the assigned topic.

Homework

All homework assignments (drawings, sketches and papers) must be turned in on time to receive a full grade. The grade will be dropped 15% automatically if it is turned in late.

If you are sick or have a compelling and pressing reason why you cannot make it to class, you must e-mail me 1 hour before class starts to receive full credit on homework. The assignment must be turned in the next time you are in class or it will be considered late.

All homework assignments must have your name, date and title of assignment written legibly on the back. If material turned in does not have the above underlined information on the back the assignment will be considered late and docked 15% of its grade.

Attendance Policy

It is important that students are present for lectures, demonstrations, and critiques, as the concepts and techniques imparted here will greatly influence your work. If you are late to class 2 times, or if you leave early 2 times, this will be considered as one absence. If you come to class one hour late or leave one hour early - even if you only do it once - this will be considered as an absence. If you are absent without a doctor's note more than two times your grade will be affected. After two such unexcused absences, each missed class will decrease your total grade by 5%.

If you come to class late, leave early or did not attend a class it is your responsibility to ask another student what you have missed. It is in your best interest to exchange phone numbers or email addresses with a few fellow students.

The Cypress college Catalog states: "After a student accumulates more than a week's absences (more than the number of times the class meets per week), consecutive or nonconsecutive, you will be dropped from the class. Please contact me by e-mail as soon as you realize that you will not be attending a class. If you are late, it is your responsibility to tell me during a break or after class that you are in attendance".

Please consult the 2013/2014 Cypress College Catalog for the details of the policy.

Academic Honesty

Any student caught cheating or plagiarizing will receive an "F" on the assignment and a report will be filed with the Dean of the division as well as all other appropriate offices. Further action may be pursued, depending on the degree of cheating and/or plagiarizing. Please consult the 2013/2014 Cypress College Catalog for the details of the policy.

If you talk to your friends all class long, surf, or otherwise act in a way that is disruptive, inattentive or disrespectful to your fellow classmates or to me, you will be asked to leave the class and you will be marked absent. Repeated behavior of this kind will result in a lower final grade for the course.
